## 6. AGM General Business

- Merchandise team – planning has begun for 2022 kits; all teams will have new jerseys. Collating a number of quotes from a couple of suppliers and will present at next months meeting.
- 2021 End of Season Survey – has been circulated to players, parents and community for feedback from season. 70+ responses with an average score ‘to refer club to others’ of 9.4 out of 10. Will be collating feedback and responding where necessary.
- EOI 2022 – to put out call for players, coaches and managers expressions of interest for next season.
- Discussion to look at adding an under 18’s or Colts team to the club next year. Would look at recruiting/returning players who left club to play league in this age group. A number of boys have expressed interest in returning to the club.
- Scoreboard upgrade – question asked about progress of scoreboard upgrade. Grant has been applied for to upgrade scoreboard, field lights and ground lights through NSW Govt.

## 7. Next AGM date

Monday 24<sup>th</sup> October 2022

**Meeting closed – 7.08pm**

## **Presidents Report 2021**

We can look back on the 2021 season as a club with real pride in what we were able to achieve. Compared to last year, the committee's plans for the season were put into place early on and we were able to go ahead with the season.

Once again due to covid19 the season was disrupted. On a positive note, it was not till towards the end of the season. The Junior competition was called off very early once the cases started to rise, and the safety of the players was at the top of the list at the ACT Junior Rugby Union meetings. The Senior Men's and Women's teams waited anxiously for the decision from ACT Rugby to see if the season was able to be completed with only 2 games to go. Unfortunately, once again with case numbers rising and the safety of players and officials across ACT and NSW the decision was made to not to continue this year's finals competition.

A huge thanks goes to our volunteers, members, sponsors & supporters, and our professional, passionate & dedicated committee who have been unflinching in their tireless support. Taking on even more workload to ensure our club continued to operate.

This year was another milestone in our club's history with the Senior Women's team putting a team into the competition along with the Seniors Men's Team and 6 Junior teams u16 Girls, u14's Girls, u15 Boys, u13, u12 and u10's. 8 teams in total.

Congratulations to all teams involved and an incredibly special thankyou must be given to those who put their hands up to take on coaching and Managing roles this year. The club could not function without your support.

In terms of culture of the club, it is evident the passion for this club is everywhere. From the players that take the field twice a week training and then playing on the weekend to the Managers, Coaches and parent support in transport and assisting the managers and coaches.

This year's committee has been wonderful to work with and without each person doing their specific job and being accountable to the club we would not have had such a successful season.

I would like to thank our Secretary - Millie Tripet, Treasurer – Dimity Fish, Senior Vice President and Media – Matthew Want, Junior Vice President – Charles Dean, Rugby Manager – Mick Sweeney, Merchandise – Courtney Gilmour and Daniel Josifovski, Grounds Manager – Ian Vagg, Sponsorship – Jake Roarty and Nicole Raine and Canteen Managers Gayle Tape and Jack van Dongen

I would also like to thank all the general committee members and players that attended meetings and brought insight and debate to the discussions.

I look forward to seeing the club continue to move forward in leaps and bounds as we start to plan for the Jindabyne Rugby Union Club 2022 season.

In closing, I would like to thank our many sponsors and friends of Rugby for allowing us all the opportunity to participate in this great game.

**Chris Marshall - President**

## **Treasurers Report – 2021**

It is with great excitement that I present my 2nd Annual Treasurers Report for the 12 months ending 30 September 2021.

Following this report, you will see I have attached the detailed balance sheet and profit and loss statement, and I will run through these in detail. However, I just wanted to highlight some important financial points.

The profit and loss statement is showing a net loss for the 12 months ending 30 September 2021 of \$2,425, compared to 2020 profit of \$15,182. This has resulted in the net asset position decreasing to \$45K from \$47K. The 2021 loss was largely due to the decrease in LJH sponsorship income and also due to the decision to give the junior sponsors a free third year, because of the disruption of Covid last year.

Total income for 2021 was \$125,272 (2020 \$79,053) – some highlights that make this income;

1. Charity Day -\$22,246 which was fully donated to The Fly Program
2. Events income - This includes the season launch and associated auction.
3. Grant income – Received \$5,090 from The Rugby Club foundation to purchase additional rugby equipment, you will see the new goal posts and sideline posts on display next year. This also included the IT purchase costs to set up online streaming of games.
4. Other revenue - \$4,500 was the sale of old coaster bus
5. Our other core activities including the bar, canteen, raffles, and merchandise all made a profit
6. Bus income was considerably down due to Covid and not hiring out the buses.

Total expenses for 2021 was \$127,698 (2020 \$63,870)

1. Bus Rego and insurance - While this looks like there has been a dramatic decrease, I am still to receive and invoice from Jindabyne Auto Repairs for the comprehensive insurance component, this will be approx. \$5,000. This expense also has reduced as we have one less bus to fund.
2. Website and IT – As explained above, this includes a new laptop and the IT costs associated with online streaming of games.
3. All other expense – Are relatively self-explanatory and I will cover this off in my detailed review.

Moving forward into 2022 we will continue to focus on ways to raise further funds and we plan to review of current sponsorship model to ensure its still appropriate.

A huge thankyou to my fellow executive and committee and everyone who has assisted the Club this year in any way.

**Dimity Fish – Treasurer**

## **Secretary's Report – 2021**

Another rugby year for Jindabyne Rugby Club has been and gone for 2021, and while it came with its challenges and hurdles, we again as a club, managed to power through and have almost a whole season for all teams both juniors and seniors.

It was exciting to see our number of teams grow – Men's and Women's Seniors and 6 Juniors, with such a large number of players in all teams. Although this did also come with new challenges of having to share buses and trying to coordinate more parents to help transport players as our club buses only catered for half of the teams.

We have seen an increase in female participation this year, fielding 3 all female teams – 14's, 16's and Miss Piggies, which is super exciting to see the club grow in this way. We also had a growth in junior girls participating in the 12's and 10's mixed teams.

Again, our committee and all who volunteered throughout the season, thank you for all your time and efforts! Without you all we aren't able to have the opportunities we can provide our players with in the club.

Coaches and Managers – what a great job you did this year! Coordinating your parents and players is a huge job, and I thank you for working with me week after week to get the job done.

Unfortunately, we all didn't get to complete the season, with the competitions in both Seniors and Juniors having to be called early due to Covid. But we look forward to next year, and again getting back on the field.

This also interrupted our presentation nights with restrictions. We will recognise all our annual award winners and hand out playing jerseys shortly, but we want to say thank you to all players for their amazing efforts this season and being so resilient in another season of multiple hurdles.

We look forward to 2022, and hope to grow even more! We would love to have our committee grow and be able to find fresh new ideas to evolve the club and create more opportunities for both players and the club. We encourage as many as we can to join our committee, either in a formal role or just to support and help with decisions, ideas and plans. We rely on volunteers and our community to provide the best we can in the club, so please come and help in any way you can.

Thank you again for all the support I have received as club Secretary. Let see what next year holds for us as a club and community.

**Millie Tripet – Secretary**

## Seniors Report – 2021

Despite the disruption to the season, 2021 was a great year for Jindabyne Rugby Union Club's senior teams, with both teams making the finals. There were 56 registered senior players across womens & mens teams.

### Wildbrumby Schnapps Distillery Miss Piggies

For the first time since 2014, we fielded a senior women's team that participated in the ACT Womens Tens competition. The Wildbrumby Schnapps Distillery Miss Piggies topped the Country Pool, making the semi finals. Their participation is a credit to the tireless work from Mags, coach Stu Ryan and all the players that committed to play this year. We finished the season with a total of 19 registered womens' players, which hopefully lays the foundation for continued participation in 2022 and beyond.

## Lake Jindabyne Hotel Bushpigs

The ACT South Coast Monaro 2nd Division competition was played in a different format in 2021 compared to recent years. 2019 Premiers Crookwell rejoined after sitting the 2020 season out, whilst Hall, Bermagui-Cobargo and Cooma joined the competition. It was the first time Jindabyne played a local derby competition match in more than 20 years. Both matches didn't disappoint, with each club winning their home match. Another highlight was the Bushpigs giving up their home match to Bermagui-Cobargo, to help out the new club who were struggling for numbers at all their away matches and would have forfeited the match in Jindabyne. Instead, the match went ahead in picturesque Tilba.

The Lake Jindabyne Hotel Bushpigs finished the regular season 2nd in the Monaro pool and 3rd overall. Coach Mick Needham and Manager Daniel Josifovski again did a fantastic job organising things, with a squad of 37 registered players to manage over the course of the season.

Four Bushpigs players were selected for Monaro rep honours in 2021. Henry Schofield, Azzam Hudson, Cooper Swan and Dylan Johnson represented Monaro in the Brumbies Provincial Tournament against South Coast and SIRU on Saturday 12 June.

Thanks to all the players, Coach Mick Needham, Manager Daniel Josifovski, volunteers Geoffrey Stubbs (strapping) and Barber Andy (First Aid), Marsho for driving the bus plenty of times plus everyone who helped out. Looking forward to a bigger and better 2022!

The Bushpigs competed in the Bowl competition against tough opponents from Sydney and Canberra, along with host club Kiama. Despite a couple of tough losses early on, the Bushpigs lead 19-0 over a combined Canberra premier team, before narrowly going down 19-26. This meant they were able to focus on supporting the womens team in their quest for glory.

## **Juniors Report – 2021**

The Jindabyne Piglets fielded a total of six teams in this year's competition, 10's, 12's, 13's, 14's Girls, 15's and 16's Girls.

Most teams made a strong start to the season with all teams putting in improved performances compared to last year. The Piglets' home form this year was particularly impressive, with most teams winning the majority of their home games, including the under 15's boys who achieved an unbeaten home record this season.

The season was unfortunately called to a halt by ACT Junior Rugby in late August due to COVID restrictions affecting the region. This meant that finals were not able to be completed for the 2021 season.

The junior club coaches and managers are to be commended for continuing to develop their teams' rugby skills and sense of fair play throughout the season.

**Charles Dean – Junior Vice President**
